

The Kingston Daily Freeman.

VOL. XLVIII.—No. 301.

CITY OF KINGSTON, N. Y., THURSDAY EVENING, OCTOBER 9, 1919.

PRICE TWO CENTS.

PLANS ARE BEING FORMULATED FOR BETTER MOTORBUS SERVICE

With a Terminal in the Central Part of the City to Which All Busses Come and Stations Uptown and Down Town Much Confusion and Loss of Time Will Be Prevented.

Plans for autobus terminals in this city are beginning to assume more definite form since the Chamber of Commerce committee took the matter up and there is reason to hope that before long it will no longer be necessary to engage the services of an expert detective in order to find out when and where the autobusses are to be found, or for the autobus drivers to drive all over the city in search of their passengers and freight, as is done under the present "system." Nobody is especially to be blamed for existing conditions, for the autobus business has grown rapidly and it has not seemed to be anybody's business to do anything to regulate it, although there is a law requiring that it be regulated. The Chamber of Commerce, some time ago, published a time table of autobusses, but it is next to impossible to keep this up to date, as new lines are being added and schedules being changed frequently. Then, too, the busses leave from all parts of the city and it requires a lot of time spent in inquiry and a lot of running around all over town if a merchant has a number of packages to ship by several of the stages.

Urging to conditions in Kingston with its three business centers, it was decided at the outset that there should be three stations, one on or near the Strand, one on or near Wall Street and one on or near Broadway, in the vicinity of the West Shore crossing. At a meeting of the committee held Wednesday evening in the Chamber of Commerce rooms it was further decided to make

CLEANING UP THE RADICALS IN GARY RIOT AT DONORA

By Telegram to The Freeman.
Chicago, Oct. 9.—With a rigid censorship on at Gary, Ind., where 4,000 United States soldiers are enforcing martial law as the result of riots among the idle steel workers Sunday, details of the situation in that city are not permitted to be published today. But it is known that federal soldiers, agents of the army intelligence department and representatives of the United States district attorney's office are continuing their fight against alleged radicals among the strikers; that they made several more raids on headquarters of these radicals during the night; that they arrested several persons and that a general exodus of radicals from the Calumet strike zone is in progress. The censorship was decided upon late last night at a conference between Major General Wood, in charge of the federal troops, municipal authorities and representatives of the district attorney's office. The army officers explained that publicity would hamper them in their task of "cleaning up the radicals" who are responsible for the trouble.

At the same time the officers made it plain that the organized steel workers, convinced that the troops were called to preserve law and order and not to interfere with the strike, were giving valuable assistance in weeding out the disturbers. Mill operators in the Calumet district, which includes among other cities, East Chicago and Hammond, report their workers returning to work in numbers. Many of the steel mills in this district are today operating at 95 per cent capacity and announce that their plants will reach normal capacity during the week.

Strike leaders, however, deny this and claim that only a few of the strikers have returned to work.

Strikesmen Share Transferred.
The shares of the Mrs. Carrie Wilson estate in the Ulster County Hotel Association, being the majority stock in the Hotel Strickland, was transferred Wednesday to Samuel M. Gay of Albany, who purchased them from John E. Ryser, the trustee of the estate. There will be no change in the management of this popular hotel. Mr. Ryser is a resident of the corporation, C. V. A. Decker as secretary, C. W. Winsor as treasurer, and C. W. Winsor as manager. The annual meeting of the Ulster County Hotel Association is held in January, each year.

An Escape Corporation.
Albany, Oct. 9.—Articles of incorporation have been filed by the World Coal Company, Inc., of Rogers, to do a general business and mining business. The amount of capital stock is \$25,000 and the incorporators are the Mills, Reservoir, Joseph L. Fisher and E. Lee Lutz, all of New York.

NEW IRISH HOME RULE BILL

By Telegram to The Freeman.
London, Oct. 9.—A new Irish home rule bill will be introduced in parliament, according to the parliamentary lobbyist correspondent of the Daily News today.

(A law providing for Irish home rule was enacted by parliament prior to the outbreak of the war, but did not become effective.)

Walter Long, former home secretary has been appointed chairman of the cabinet committee that will deal with the new bill, the Daily News said.

ANTI-STRIKE BILL TO BE REPORTED

By Telegram to The Freeman.
Washington, Oct. 9.—While the industrial conference was attempting to settle labor problems today, the senate was preparing for a fight against the right which organized labor has announced it will never relinquish—the right to strike.

The anti-strike provision in the Cummins bill which would prohibit a strike of railway workers, will be passed by the senate and will not be struck out despite protests from Warren G. Stone, the railroad brotherhood head, and Samuel Gompers, the president of the American Federation of Labor, it was stated today.

The bill will be reported to the senate next week.

NIGHT SCHOOL TO OPEN TUESDAY

All persons who have registered to attend the night school this season should report at the high school Tuesday evening, October 14, for assignment to classes. The school will be under the principalship of Prof. P. H. Cullen, who will be assisted by such other instructors as will be necessary. It is very important that all those who intend entering the night school register tonight or tomorrow night. Those who cannot be present Tuesday should so notify Mr. Cullen.

35 Per Cent For Creditors

A dividend of thirty-five per cent to the creditors of the defunct firm of Atwater, Foote and Sherrill, who are entitled to recover, is forecasted. The arduous work of the attorneys in the bankruptcy proceedings is nearing a close. Within three or four weeks, the report of Referee Harry Arnold, based upon the many hearings held and the hundreds of items involved will be ready for presentation to the United States court, which has jurisdiction over the bankruptcy proceedings. It is said to be already certain that the report will be objected to by several of those who are directly concerned as creditors. There were over 400 claimants originally, with about one million dollars represented, but the list has been greatly reduced owing to the complete nature of the transactions.

REGISTRATION FOR ELECTION BEGINS IN KINGSTON ON FRIDAY

That Will Be The First Day of Registration in This City and Those Who Register Should Also Enroll in Order to Have a Voice in Party Affairs.

Registration for the November election and enrollment for the presidential primaries next spring and the regular primaries in the following September will begin in Kingston on Friday, October 10th. Qualified voters may also register and enroll in the places in which they will vote in November, on October 11th, and on October 17th and 18th, from 7 a. m. to 9 p. m. Lists of the registering places appearing in The Freeman, and on posters in front of the registering places in the districts of each ward.

No person who does not register may vote in November. No person who does not enroll may vote in his party primary. No person may enroll until after he has registered. As soon as the person is properly registered, an enrollment blank is given him, upon which he (or she) may indicate the party in which he (or she) desires to vote. This is deposited with the election inspectors. There will be no supplementary enrollment this year.

In rural communities and towns and villages of less than 5,000 population where personal registration is not required voters may enroll in their various parishes at the time they vote in November.

Qualified voters, who alone may register and enroll, are described by the election law as follows:

"A qualified voter is a citizen who

FLOOD OF WORDS AT CONFERENCE

Torrents of Language Almost Submerge President Wilson's Industrial Conference—Labor Section Demands Arbitration of Steel Strike.

By Telegram to The Freeman.
Washington, Oct. 9.—The flood gates of reticence which have retarded the work of President Wilson's industrial conference, opened up with a rush today and a veritable torrent of words and plans came forth for the nation's economic and industrial ills.

The last group, headed by Samuel Gompers, carried out their threat to inject the national steel strike into the conference proceedings by the introduction of a resolution providing for a settlement of the strike by a committee of six persons selected from the present conference—two each from the groups representing capital, labor and the public. In the interim the strikers would return to work.

Under the rules, the resolution went to the general committee of fifteen without debate on the floor of the conference.

Labor also presented a number of "propositions" to be considered by the conference, containing all of the labor traditional platform and demands. It likewise went to the committee of fifteen.

Serious discussion broke out on the conference floor when Secretary Lane announced he would entertain a motion to adjourn so that the committee might get to work on the numerous resolutions.

The 370,000 steel workers said they would accept the resolution by which they would return to work pending the industrial conference and most care to prevent more accidents. The committee, Michael J. Tighe, president of the Amalgamated Association of Iron, Steel and Tin Workers, and a representative of the labor group at the conference, said today.

Vote on Shantung Amendment

By Telegram to The Freeman.
Washington, Oct. 9.—With both Democratic and Republican senators split on the question of amending the German peace treaty, Senator Lodge, the majority leader, and Senator Hitchcock, the minority leader, agreed today that there was scant prospect of the senate voting on the pending Shantung amendment until next week was well advanced.

French Naval Program

By Telegram to The Freeman.
Paris, Oct. 9.—The French naval construction program for 1920 calls for only twelve ships—six light cruisers and six destroyers—it was learned today. The cruisers will displace from 4,000 to 5,000 tons and will be of modern type. The destroyers, whose keels were laid down before the war, will not be completed.

Special Speaker at Kerhonkson

There will be a special speaker in the M. E. Church of Kerhonkson next Sunday, October 12. Will also speak at Granite.

MAYNARD LEADS IN FLYING RACE

Landed in Des Moines This Morning—Three Aviators Killed by Accident—Progress Made by the Flyers.

By Telegram to The Freeman.
Des Moines, Ia., Oct. 9.—Leading the field of aviators, who left Minnola, N. Y., yesterday morning, Lieutenant B. W. Maynard arrived here at 10:55 o'clock this morning from Rock Island, Ill. He landed safely at Herring Field, where rains had made the landing field very soggy.

Rock Island, Ill., Oct. 9.—Lieutenant Maynard, army aviator, landed here in his DeHavilland plane at 3:37 this morning on the second leg of the cross country air race. Maynard made the 155 miles from Chicago in 92 minutes.

Chicago, Oct. 9.—Lieutenant B. W. Maynard, the first of the army aviators to reach Chicago in the cross country air race in which forty-seven army pilots started from Minnola, N. Y., yesterday, headed his DeHavilland plane into the wind and shortly after seven o'clock today took to the air, bound for Rock Island, Ill., the next checking point of the great aerial race, in which three aviators met death yesterday. Lieutenant Maynard averaged 2 miles a minute on the first leg of the race from Minnola to Chicago, establishing a new record for the distance.

Three Aviators Killed

Minnola, N. Y., Oct. 9.—As a result of three aviators being killed and six machines being wrecked yesterday, the first day of the cross country air race, flight officers today wired all control stations to exercise the utmost care to prevent more accidents. Aviators will be warned against taking unnecessary risks. There are several planes left to "hop off" from Minnola today.

Major D. H. Crissey was killed instantly and his observer, Sergeant Virgil Thomas, received injuries from which he later died when the plane in which they had left San Francisco crashed in attempting to land at Salt Lake City.

Sergeant W. H. Nevitt died of injuries received when a plane in which he and Colonel Gerald Brandt were riding fell to the ground at Deposit, N. Y. Colonel Brandt was reported to be seriously injured.

Encounters Bad Weather

Erie, Pa., Oct. 9.—Unable to battle the elements, four of the transcontinental aviators, who left Buffalo this morning, landed near here a short time later. The planes were driven by Colonel Benedict, Lieutenant Roulette, Lieutenant William C. Brown and Lieutenant Jones. If the weather clears before night they will proceed on their way to Cleveland.

Cleveland, O., Oct. 9.—Four fliers in the transcontinental air derby laid over for the night at Martin Field. A dashing rain storm and a heavy wind this morning marred the almost ideal weather condition which marked the first day of flying.

Buffalo, N. Y., Oct. 9.—An announcement was made at Curtis Field at 9:30 o'clock this morning that the New York to San Francisco air race had been postponed on account of the weather conditions. A cold rain began to fall about 9 o'clock. Eight planes remain at the field, and those who had left early this morning will stop at Cleveland.

Cleveland, O., Oct. 9.—After battling with the elements for more than two hours, Lieutenant Alexander Pearson, Jr., flying a DeHavilland, arrived here at 9:07 from Buffalo.

He had to battle every foot of the way, he said on his arrival. The strong head winds encountered, coupled with driving squalls of rain made the trip a perilous one.

Pearson's plane was in bad shape upon arrival here. The wind and rain had "chewed up" the covering of the wings so badly that he probably could not have come much further.

Pearson was the fourth flier to leave Buffalo this morning, but said on his arrival that he had seen none of them as he fought his way to Cleveland.

All planes will be held here until the weather improves.

Captain John O. Donaldson, in a DeHavilland, arrived from Buffalo at 9:22. He too reported a "rough voyage."

Barrows, N. Y., Oct. 9.—Breakfast in Barrows and dinner in New York city was the eating schedule today of Commander Mark Kerr, who left here at 11:49 o'clock in a Handley-Lake airplane for New York. Several passengers are being carried as well as mail.

Cleveland, Oct. 9.—A spectacular rescue of Second Lieutenant T. Hynes and Second Lieutenant T. K. Matheis, three miles out in Lake Erie, by the Canadian steamship Adria, featured the battle waged with the elements by the aviators in the transcontinental air derby.

After Lieutenant Hynes and Matheis had been given up as lost by air officials at Martin Field here, the wireless brought the news that the steamer Adria had picked up the aviators three miles off Ashtabula when they were forced down by the intensity of the storm.

Another of the nine planes leaving Buffalo made a forced landing at 1:17 on the New York Central, and of hope, another aviator or passenger being injured.

Four more planes were reported down on the vicinity of Erie, Pa., in the race.

CHAMBER OF COMMERCE PLANS MORE HOUSES FOR KINGSTON

With New Industries Here The Housing Problem Has Become a Serious One—Committee of Experienced Men Organized to Formulate Plans and Estimate Cost.

Kingston needs more houses, especially for industrial workers. The Chamber of Commerce is taking up vigorously the problem of getting these houses built.

Although there has not been the extreme scarcity of houses here that has existed in a number of cities, there is no question about the need for increased housing facilities.

This is especially true on account of the location here of the Kattermann & Mitchell Company, work on the erection of whose plant on Corwell street and Ten Broeck avenue is being rapidly pushed to completion; the sale of the Campbell plant in which the Apollo Magneto Company is already established, and where E. B. Cadwell plans also to manufacture transmissions in the near future; and the expansion in the business of a number of Kingston manufacturing concerns.

The Board of Directors of the Chamber of Commerce has taken up the matter of industrial housing, and authorized the appointment of two special committees. The first will be known as the committee on housing investigation. It is made up of real estate men, building contractors, architects and others who are closely in touch with the housing situation and are in a position to make recommendations with respect to the number of houses needed, type or types of construction desirable and the cost of construction.

This committee will estimate the approximate number of new houses needed, will consider to what extent additional housing facilities might be provided by means of alterations, and will then consider types of houses, etc.

President Joseph M. Herbert has appointed as chairman of this committee, Arthur C. Connelly, who was chairman of the builders' publicly campaign in the spring. The other members of the committee are F. E. Bassett, Sherman Merritt, J. N. Losen, I. F. Bannan, Charles J. Michael, T. I. Rifebary, Gerard W. Betz, Myron S. Teller, Morris Samler, R. B. Osterhout, George Dressel, A. Mauterstock, Ward Everett, A. J. Burns.

Chairman Connelly has called the first meeting of this committee to be held at the Chamber of Commerce rooms Monday, October 13, at 5 o'clock.

The appointment of the second committee to be known as a committee on housing finance will be announced very shortly. The function of this committee will be to devise and recommend ways and means for financing the needed housing development.

MOSCOW WITHOUT WHITE ARMY IS ADVANCING

Counter Revolution in Russia is Extending, According to Helsingfors Dispatches—London Doubts the News.

By Telegram to The Freeman.
London, Oct. 9.—The Russian Bolshevik forces are withdrawing on the western and northwestern fronts and are frantically rushing reinforcements to the south in an effort to check the advance of General Denikin's "White" army, the war office announced today.

No official advice had been received here today up to noon, regarding the reported counter revolution in Moscow, and there is a disposition to doubt the seriousness of the movement.

The Bolsheviks in Petrograd have arrested Professor Grimm and Professor Oldenburg, two of the best known educators in Russia, and their fate is uncertain. Both were opposing the Reds' doctrine of government.

Feeling against the radicals has been growing steadily. Sixteen attempts were made to assassinate prominent Bolshevik leaders in Moscow during the past week. It was reported from Helsingfors.

In addition to Jacob Peters, former head of the secret police system of Lenin and Trotsky, his assistant Kolchakoff, has been assassinated. It is reported.

The counter revolution against the Bolsheviks in Russia is extending, said an Exchange Telegraph dispatch from Helsingfors today, quoting advice that had been received there from Moscow.

The Mensheviks, who are leading the movement, declare that the lives of ten Reds must be forfeited for every social-revolutionary who has been killed, according to a dispatch to the Morning Post.

Wires Crossed.
George Hadden who delivers the mail between the West Shore railroad station and the post office, and who is also in the trucking business, was carrying a load of coke Wednesday morning for a party on the hill and forgot himself for the moment, thinking he had the mail stopped in front of the post office on Bridge street and was already to unload the coke, when he discovered the mistake and then delivered the coke where the order was given to him—Catskill Mall.

Frankly Leaves Today.
Edward G. Kennedy of the firm of St. Livingston Company of 2 Rector street, New York city, who has been consulting engineers with the Hiltop Iron Works Company for the past two years during the building of large and voluminous chimneys for the United States government, left town this morning for New York city where he will be assigned to a new job. While in town Mr. Kennedy has made a number of friends who regret his leaving.

St. Ann's Marked for Death.
By Telegram to The Freeman.
London, Oct. 9.—Captain Calabrese, leader of Italian troops that occupied Fiume, has been marked for death by a body of students which has just been formed at Fiume. The students have just been formed at Fiume. The students have just been formed at Fiume.

Steel Plant Foreman Shot.
By Telegram to The Freeman.
Chicago, Oct. 9.—A. K. Smith, a foreman employed at the Illinois Steel Company plant, was shot and killed in the plant yards today. Plant officials said Smith accidentally shot himself while cleaning his revolver. An investigation is being made.

Dispatches received at the local control, but no details were given.

Chicago, Oct. 9.—Captain H. C. Drayton, in a DeHavilland, arrived here at 11:59 a. m. today, the second of the army aviators to reach Chicago in the cross-country air race. Captain Drayton left Minnola at 9:50 a. m.

Major H. J. Miller arrived here at 12:40. Lieutenant Wheeler is expected to land here within the next hour.

Captain Drayton and Major Miller immediately on landing prepared to resume their flight in an endeavor to outdistance the rule governing the race.

Four more planes were reported down on the vicinity of Erie, Pa., in the race.

STATE LEGION MEETS FRIDAY

First Convention Will be Held in Rochester—Six Hundred Delegates Expected.

Six hundred and fifty delegates, in addition to many alternates, duly elected by 100,000 members of the American Legion in New York state, will meet tomorrow (Friday) morning at 10 o'clock in Convention Hall, Rochester, in the first annual state convention of the American Legion, to settle problems affecting service men and also to recommend to state and national administration the policies which the fighting men of the state deem essential for the future.

The convention will be, as is the veterans' organization, a civilian body. Delegates will not wear uniforms nor will there be any parade. The only military features will be the calling together of the delegates by the bugle call of "assembly" and a regimental band. Delegates will be plain "Mister" and "Colonel" and "Governor" and "Governor" will be on an equal plane on the convention floor. By the terms of the state constitution, sixty per cent of the delegates must be enlisted men. The delegates to be elected to the national convention in Minneapolis, on November 10, 11 and 12, must also bear this same proportion of enlisted men as it is determined that the American Legion must be run by enlisted men.

Perhaps the greatest importance of the convention is attached to the resolutions which the service men are expected to pass. Greatest interest attaches to the recommendation to be made upon the matter of the future military policy of the country. In this connection it is significant that United States Senator James W. Wadsworth, chairman of the senate committee on military affairs, will be one of the speakers and will probably present the committee's report. The program, while Assistant Secretary of the Navy Franklin D. Roosevelt, spokesman on numerous occasions for the national administration, will probably present the administration side of military matters. Governor Alfred E. Smith will be the third speaker.

Other matters which are sure to be discussed and upon which definite recommendations will be made include the question of a bonus to service men, war risk insurance, vocational education for wounded, civil service preference for veterans, auxiliary and welfare workers, universal military training, alien soldiers, the question of candidates for public office holding office in the American Legion, amendments to the present state and national constitution of the American Legion and the question of eligibility for persons not now eligible to the veterans' organization. Purely partisan questions and irrelevant matters will be discouraged as being not a part of the organization's business.

Reduced railroad fare, amounting to one and one-third has been secured, the delegates to pay full fare to Rochester, taking a certificate or receipt, which, upon being countersigned at Rochester by the American Legion transportation officer, will warrant a return rate of one-third fare. Hotel accommodations have been arranged for 650 delegates.

In addition to the delegates from New York state to the national convention, there are the state officers for next year to be elected, including chairman, three vice chairmen, secretary and treasurer. Two members of the national executive committee will also be elected.

The address of welcome will be delivered tomorrow (Friday) morning by Mayor Edgerton and will be responded to by the temporary chairman of the convention.

Oscar L. Mills, state chairman, and Wade H. Hayes, state secretary, left last (Wednesday) night for Rochester and will meet today with the Rochester committee on arrangements to aid in the final preparations for the convention. A few of the delegates have already arrived in Rochester but the great majority are expected to arrive by 8 o'clock tomorrow (Friday) morning. Railroad accommodations are reported taxed to care for the crowds of delegates and alternates and visitors from the 410 posts of the American Legion in the state who are gathering to aid and to witness the first state convention of the Empire State's fighting men on land and sea.

Among the delegates from New York city who are of especial prominence are Chairman Francis P. Duffy, of the "Old Sixty-ninth," Robert M. Marsh, of the "Lost Battalion," James W. J. Crumpton, who lost a hand while fighting with the Fifth Regiment Marines; Mrs. Julia Wheeler, a chief yeoman (F) in the navy, and Miss Ray C. Sawyer, U. S. Marine female reservist, who supplied the A. F. F. musicians with thousands of sheets and scores of popular music for regimental bands. A. L. Boyer, who drilled the "Tigers" is an alternate and will be chief sergeant-at-arms of the convention.

Others from over the state include Russell B. Sord, Albany; Leonard C. Sord, Albany; William Donohue, Buffalo, formerly colonel of

the "Old Sixty-ninth," Rodolfo G. Hatch, well known newspaper man of Buffalo; Walter Guest Kellogg, Ogdensburg; Pierre Lorillard, Jr., Tuxedo Park; Harold L. Bodamer, Buffalo; Louis M. Spaulding, Albion; Hamilton Fish, Jr., Harrison; Peter M. Hart, Stony Point; Scott Button, Schenectady; Leland Horton, Ovid; Charles P. Coffey, Ithaca; Lucius C. Tuckerman, Milton; Herman A. Wenige, Glens Falls; Charles H. Duell, Jr., Yonkers; Harrison Deyo, Yonkers; David L. Esperance, Pelham; Fairfax Ayers, Rye; Also Elliott C. Bacon, Westbury, L. I.; C. W. Wickerman, son of the former U. S. attorney general and himself the first state chairman of the American Legion, Cedarhurst, L. I.; Dr. Richard Derby, son-in-law of the late Theodore Roosevelt, Oyster Bay; J. G. Benard, Babylon, L. I.; Dr. Frank Iverson, Patchogue, L. I. In the Brooklyn delegation will be Hart Hunt, Raymond Kipp, James F. Goerke, Fred Pruter, William Butler and Robert T. Rasmussen.

AT THE THEATERS.

Champion Draws Capacity House—Ethel Clayton at Keeney's.

Charles K. Champion must please local theater goers if a crowded theater is any criterion of this company's popularity. "Broadway Jones" last night filled every available seat in the theater. "Her Unborn Child" promises to do the same thing tonight. Judging from the advance sale of seats now and also by present indications every seat for the balance of the week will be sold at every performance, so if anyone cares for an excellent entertainment at reasonable prices it is using common sense by getting to the phone now and ordering seats. Tomorrow

A Sideshow in Time, another New York success, will be the attraction. "Men, Women and Money," a new Paramount starring beautiful Ethel Clayton, that famous star is serving a series of hits at Keeney's tonight. The story shows the homes of many leaders of the smart set where elaborate social functions are staged. Some of the most beautiful and exquisitely furnished sets ever created are shown in this admirable picture. Added attractions to this great picture is a single real novelty, "That Well Dressed Look," a sensation among women folks and shows what's what in styles right now; also Gaumont News weekly and Chester O'Connell's great outdoors. Tomorrow

Wallace Reid in "The Love Burglar," The running of the legations in Peking during the Boxer uprising of 1900 is faithfully reproduced on the screen in the Nazimova production, "The Red Lantern," which will be seen at the Auditorium tonight.

Lee and J. J. Shubert will present Rachel Crothers' comedy, "29 East," as presented all last season, at the Kingston Opera House next Tuesday night. "29 East" is a springtime love story of New York of the present time. Miss Crothers' comedy is in three acts and narrates the story of a young girl from the west who comes to New York to make her fortune. Mail orders only now. Regular sale of seats opens at the box office Saturday morning.

Patrons of the Orpheum Theater are assured of lively and wholesome entertainment today. Tom Mix is signed at Rochester for a production called "Hell Roarin' Reform." It is another one of those galloping western stories that have made Mix famous. Also vaudeville.

NEW HURLEY.
New Hurley, Oct. 9.—Philly McCord was in this place on Sunday. Miss Frances Forness, spent the past Wednesday with her parents at Leptondale.

Mrs. G. B. Scholten is convalescing after a few days' illness. Miss Sarah Schoonmaker of Poughkeepsie is a guest of relatives in this neighborhood. Eleanor Brown, daughter of Mr. and Mrs. Jesse Brown, had the misfortune to fall from a horse one day recently and dislocated her wrist. She also received several other bruises.

A large number attended the misadventure at the home of Mrs. Peter Wilkin last Thursday afternoon and enjoyed the addresses given by Mrs. Pitcher and Mrs. Ottomina. Both are returned missionaries. At the close of the meeting the dainty refreshments were served and a social time was enjoyed.

An L. T. L. meeting was held at the school house on Friday afternoon. A fine program was rendered by the members and pupils of the school. Several visitors were present and at the close of the meeting a mothers' club was organized, consisting of the following officers: President, Mrs. F. G. Schoonmaker; vice-president, Mrs. Perry DuBois; secretary, Mrs. Edward Powell; treasurer, Mrs. J. W. Monell.

Mrs. Charles Jenkins entertained the Young Women's Club at a variety shower at her home on Saturday in honor of the approaching marriage of Miss Ellen Brundage to Dan Schoonmaker. Several useful and appropriate gifts were received by the bride-to-be and refreshments were served by the hostess.

Register and enroll on Friday.

LUCKEY, PLATT & CO.

POUGHKEEPSIE, N. Y.

THE FRIENDLY LAMP

Someone has said, "The fireplace is the heart of the home!" But in the absence of a family hearth, have you ever noticed what it is that draws the family circle around it?—the friendly lamp. Our Lamp Shop is a very interesting place to home lovers.

One of the lamps is a flexible desk lamp for electricity—all brass—well made—complete with shade and cord—finished in brass and green.

\$4.00 to \$6.00

Flexible Floor Lamps—brass with weighted bases—adjustable to any position—complete with cord and plug.

\$6.00 and upwards

Mahogany Finished Floor Lamps—bases handsomely turned—mounted with 24-inch silk shades—all ready to plug in—a \$19 value for

\$14.98

Boudoir Lamps—a dainty small lamp suitable for dresser or sideboard—metal base, silk shades, handsome designs, **\$6.49.**

A most complete line of floor and table lamps with metal and mahogany stands—silk shades of various colors and bent glass shades, **\$6.49 to \$25.00.**

Gas and Electric Domes—a large assortment of shapes and designs—22 and 24 inches in diameter—all fitted and complete for installing, **\$16.50 to \$24.00.**

Full line of inverted and upright mantles 9c to 35c.

"You should have used a Daylo!"

WHEN you go poking into the back of a closet, into the corner of the attic, or down cellar—always use a Daylo for light. Then you won't have the great danger and discomfort of a fire like this.

You can't afford to take a chance on matches, candles or other flame light near inflammables. Always use a DAYLO—it goes anywhere safely.

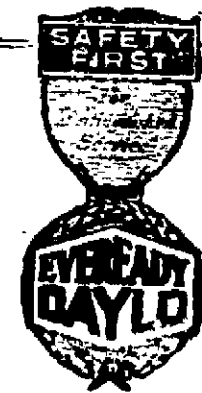

Remember—the cost of one small fire is many times the price of a Daylo that guarantees safety.

THURSDAY IS NATIONAL FIRE AND ACCIDENT PREVENTION DAY

Do Your Share to Help Avoid Fires.

This is Daylo Safety First Week, in honor of National Fire and Accident Prevention Day, October 9. Daylo dealers everywhere are demonstrating the hundreds of uses of this handy light which mean safety insurance. Look for the Daylo "Safety First" medal design in the window of any of the dealers listed below—he'll fix you up with the Daylo you need.

DOINGS OF THE VAN LOONS

SOCIETY NOTES.

Great preparations are in progress for the big Halloween dance to be given by the Daughters of Isabella in Knights of Columbus Hall on Friday evening, October 24. This is the first dance given by the local court this season and judging from the reports of the committee in charge, with Mrs. John G. Reynolds as chairman, the affair promises to be most successful. The public is cordially invited to attend and the fact that Curt Shurtler's famous orchestra will furnish the music is assurance enough that a good time is in store for all.

A very pleasant birthday party was tendered to George W. Stewart of Brooklyn Monday evening at the residence of Mrs. Abram Dumond of Hurley. The evening was spent in singing and was enjoyed by all. At a late hour refreshments were served. Those present were: Mr. and Mrs. R. Flight of Brooklyn, Mr. and Mrs. Frank Towne, Mr. and Mrs. William Stewart, Mr. and Mrs. Jacob Stewart and daughter, Mr. and Mrs. L. E. Dumond and son, Clifford, Mrs. R. Bonesteel, Mrs. Alice Wood of Kingston and Chas. Dumond and Mrs. E. Maxon of Hurley.

Deering-Bates.

The marriage of Louis Deering, of Saugerties, an employee at Post's garage at Catskill, to Miss Sarah Bates, of Potters Hollow, took place in Brooklyn, on October 4th. Rev. Mac Donald performing the ceremony. Miss Bates has for some time been employed at the Saulpaugh Hotel, and has a host of friends in Catskill, where they will make their home. Mr. Deering saw service overseas as a second lieutenant.

Paulus-Harris.

Harry R. Paulus of No. 327 Third avenue and Miss Phoebe Harris, daughter of Mr. and Mrs. David Harris of No. 112 Foxhall avenue, were united in marriage on Wednesday afternoon at 4 o'clock in the Spring Street German Lutheran Church by the pastor, the Rev. A. Schmidtkonz. The bride was charmingly gowned in white satin over georgette crepe, and was attended by her sister, Miss Anna Harris, as bridesmaid, who was attired in pink satin. The best man was Louis Otto. Following the wedding ceremony a reception was held at the home of the bride's parents on Foxhall avenue. The house was artistically decorated for the occasion. The color scheme was red, white and blue, and was most effective. Following a honeymoon trip Mr. and Mrs. Paulus will reside at No. 92 Foxhall avenue, where a newly furnished home awaits them. Both are popular young folks and have the well wishes of a host of friends for a long and happy married life.

Van Vliet-Baxter.

Very gorgeous autumn weather graced the day appointed for the marriage of Miss Elizabeth A. Baxter, daughter of Mr. and Mrs. J. Barton Baxter, of Ellenville, and Joseph Van Vliet, son of Mr. and Mrs. Asa Van Vliet, of Kingston, which was solemnized at the bride's home on Liberty street, Ellenville, on Wednesday, October 8th, at 12:30 o'clock. The ceremony was performed by the Rev. W. H. Mocer, of Mt. Kisco, a former pastor of the local M. E. church, of which Mr. and Mrs. Baxter and daughter are members. The well appointed home was very attractive in its autumnal decorations, the color scheme of yellow and green with red tints predominating. As the strains of the wedding march by Mendelssohn, rendered by Frank J. Campbell, organist of the M. E. church, were heard, the wedding party descended the winding stairway. First came the little flower girl, Emily Van Vliet, sister of the groom, wearing a dainty dress of white with pink sash and hair ribbon, and carrying a basket of beautiful flowers. She was followed by the bridesmaid, Miss Edna Willett, of Jersey City, a cousin of the bride, very beautiful in an exquisite gown of flesh color Georgette crepe, wearing a string of pearls, and carrying a bouquet of yellow chrysanthemums, and was accompanied by the best man, Ralph Hornbeck, of Accord, N. Y., a friend of the groom, and then a hush pervaded the waiting assembly, and the bride, charming in a beautiful gown of white with pink sash and hair ribbon, and the only ornament worn was a string of pearls, the gift of the groom, and carried a large bouquet of bridal roses, a picture of youth's freshness. She was escorted by her father, who gave her in marriage. The wedding party was met at the entrance to the arch, which was of ground pine, by the minister and groom. The marriage service was performed with the beautiful ring service of the M. E. church and under a white wedding bell, which was suspended from the arch, in the large parlor of the home. Following the congratulations, which were very hearty, an elaborate wedding luncheon was served, and the guests were entertained upon by the bride's mother, Misses Ethel Baxter and Ella O'Neill, and Misses Clara Becker and Grace Yarrow, intimate friends of the bride. The four young ladies wore white dainty dresses, yellow sashes and crowns, which were very effective. The bride's table in the dining room was very handsome with red and white decorations, the center piece being a large bouquet of yellow chrysanthemums, and the favors, little yellow baskets filled with sweets, while the favors at bride and groom's places were a miniature bride and groom. Those seated behind the bride and groom, and the bride's mother, were limited to relatives and a few friends, which included the groom's mother, Mrs. Van Vliet of Kingston, Mr. and Mrs. Martin Willett of Jersey City, Mr. and Mrs. John Armstrong of Middletown, Mr. and Mrs. Editha Barker of Monticello and Ellenville, and a few friends. The bride's going-away gown was a blue cloth with hat to match and she wore a bouquet of white flowers for her bride. The bride and groom left during the afternoon, and a shower of confetti on a wedding trip by way of Kingston

and they go to reside at Detroit, Mich., where the groom, also his father and brother, of Kingston, are engaged in business. The bride is one of Ellenville's lovely young ladies, and the groom one of Kingston's worthy young men, and both have a host of friends who extend hearty congratulations with all good wishes. The bride's gifts were many and very beautiful, attesting true friendship of relatives and friends. The bride's gift to her bridesmaid was a handsome gold bar pin and the groom to best man a handsome engraved cuff links and to sweet little flower girl a dainty gold ring. Following the wedding luncheon the bride's party, minister and guests, went to the lawn in the rear of home, where while the autumn sun shone in all its brightness, pictures were taken and a pleasant social time enjoyed.

MOMBACUS HEIGHTS.

Mombacus Heights, Oct. 8.—The Rev. A. Quick officiated at the funeral of the late A. Chambers of this place on Sunday.

Mr. and Mrs. Charles Hartelius entertained an auto party on Sunday. Mr. and Mrs. Harry Smith and children, Miss Reanne Van Ert, Harold Van Ert and Percy Green, enjoyed an auto trip to Grahamsville on Sunday. Little Albert Smith, who was

burned severely some time ago, is recovering very nicely. A short honey cruise is reported by our local bee man, owing to much rain and cool, windy weather.

THILSON.

Thilson, Oct. 8.—James Mason who had his arm taken off Saturday afternoon is getting along as well as can be expected. Dr. Neal of Ellenville assisted by two other doctors performed the operation. Very glad to see so many people out to the Reformed service Sunday night. Mrs. R. Pensi has come to New York city on business. Marcus Krom is tearing down the lumber sheds at the gravel mill, and putting new plants on the bridge which is badly in need of repair. Mrs. Peter Jacoby of Ritten spent one day last week with her parents, Mr. and Mrs. M. Clark. Handling is the order of the day, but as yet we haven't seen any of the hunters' heads with game. Miss Helen Krom, Miss Leah Kniffin and Dr. J. Mendicino of Monticello spent Tuesday evening at the home of Marcus Krom. Mrs. Ralph Brown and little son, Maurice, of Catskill, Conn., are

spending some time with Mrs. Devere's parents, Mr. and Mrs. J. Meyers. Mrs. Devere's father has been confined to her home by illness the past week. Mrs. James H. Thomas and daughter, Mrs. O. J. Wheeler of Maple Hill spent the week end with relatives at Samsonville. Mr. Evans of New Paltz was in this place yesterday. Jack Fred visited this place last night for the first time. Miss Vera Mason of Poughkeepsie is spending some time at her home here. The many friends of Jacob Christman are glad to see him around again. The Ladies Aid will meet at the home of Mrs. C. T. Craig Thursday afternoon, October 9. Paul Christian of Krumville is spending some time at the home of her grand parents, Mr. and Mrs. Jacob Christians. We are very sorry to hear that the condition of Mrs. B. Neve, who is in the Kingston City Hospital is not very much improved. Mr. James Houghaling spent a few days of the past week with her son-in-law at Kingston. Register and enroll on Friday.

QUARRYVILLE. Quarryville, Oct. 8.—The Misses Lucille and Anna M. Markle of Oneonta are visiting their aunt, Mrs. John Hattenbeck. Mrs. Samuel Tostell and daughter, Mrs. Floyd Finner, and children, are visiting friends in Albany. Fred Schoenmaker and wife of Hancock spent a portion of Sunday and Monday with his sister, Mrs. Charles Van Valkenburg. Mrs. Joshua Tostell and children have returned to their home in Brooklyn. Miss Lena Schaff has returned to her home from Paltzville. A few from this place attended the play at the opera house at Saugerties last Friday night. Mrs. Margaret O'Rourke is visiting her mother and family. James Taylor of Schoenepatzen called on friends here last Wednesday. Next Sunday will be the last preaching service for two weeks. Our preacher expects to go away on his vacation. Everybody should be present to hear the last sermon on "I am the Way, the Truth and the Life." "The Life" is the subject for next Sunday. Mrs. William Bonnell of Alton called on friends here Monday. The dinner social held by the Ladies Aid last Saturday night was a

success. Over \$16 were realized. Albion Carricht, Jr., is visiting his parents. Anthony White is spending a few days at his home here. Mrs. Mary Fiero of Waterbury, Conn., is visiting her sister, Mrs. Charles Cooke. Ezra Wolcott and family expect to move back to Quarryville this week, in the Robinsons' tenement house. LANGLTON. Langlton, Oct. 8.—Mr. and Mrs. Martin Hamilton and daughter, Mrs. Pearl, and Mrs. Anna Hamilton visited at Sherman Anderson's Sunday. Mrs. Vernon Pierce visited at Dr. Bolz's place Sunday. Herbert George and mother visited at Lawrence Beckman's Sunday. Mr. and Mrs. Ross Russell are rejoicing over a young daughter, born October 1. Mr. and Mrs. Lawrence Myers visited last Sunday. George Brain was a business caller on Red Hill Monday. The Sunday school picnic was postponed until Saturday, October 12, on account of rain. An Inch of Rain. An inch of rain is a wonderful thing. An inch of rain would do more than 50 barrels of 45 gallons each.

PRICES \$35.97 to \$110.00

DR. DAY WILL SPEAK TONIGHT

At Health Meeting in High School Auditorium—Women and Girls Over 16 Years, Invited.

Dr. Mary Gage Day will speak to women and girls at the public health meeting to be held in the high school auditorium tonight at 8 o'clock. Admission to the meeting will be free, and all women and girls over 16 are invited to attend. Those who have heard Dr. Day's more intimate talks at the manufacturing plants and before women's organizations during the week will welcome this opportunity to hear her discuss the important matter of venereal disease at greater length, and in a more vivid manner than was possible in her other meetings. Colored lantern slides will be used by Dr. Day to explain her subject.

Besides telling the plain facts about these diseases Dr. Day will also speak of many of the important things which girls and women should know about their bodies in order to keep well and strong. Wherever these lectures have been given in other cities the women have expressed their gratitude for the information that they have obtained.

There will also be distributed at the meeting a number of pamphlets which have been carefully prepared by the national and state health authorities especially for girls and women. These will be free. Their titles are:—Facts for Parents. Facts for Young Women. Your Country Needs You. A Talk with Girls. The Nation's Call to Young Women.

Dr. Day will also explain some of the provisions of the new laws which have been adopted as part of the program of combating venereal disease. She will also tell of some of the things which girls should require of the man they expect to marry. An important step forward in protecting the womanhood of the country is the amendment to the Domestic Relations law, which provides that no marriage license may be issued until the applicant shall have subscribed to this statement:—

"I have not to my knowledge been infected with any venereal disease, or if I have been so infected within five years I have had a laboratory test within that period which shows that I am now free from infection from any such disease." There are other laws which have been put on the statute books of this state, which women should be informed about, and this meeting will afford the opportunity to learn of these.

Tomorrow evening at 8 o'clock in the high school auditorium there will be a similar mass meeting for men and boys over 16. This also will be free. Dr. Arthur R. Guerdard, lecturer of the venereal disease bureau of the state department of health will speak on "The Plain Facts About Venereal Disease." Colored slides will be used to illustrate this lecture.

LEIBHARDT.

Leibhardt, Oct. 9.—Beginning on Monday evening, October 20, special services will be held in the M. E. Church.

Miss Merian Brown and brothers, Arlington D. and Harry, attended the party at the home of Miss Ethel Lyons at Kerhonkson Saturday evening.

Ezra Krom of Sundown spent a few days with friends in this place recently.

Mr. and Mrs. William Hornbeck and daughter, Beulah, and Mrs. Mary Quick of Whitefield were guests at the home of Mr. and Mrs. Herman Quick on Sunday.

Henry S. DeWitt and children have moved back to their former home with his mother, Mrs. Eliza D. DeWitt.

L. E. Lawrence is having his residence painted. Melbourne Gorsline is doing the work.

Mrs. L. E. Lawrence, Mrs. Alex. Brown, Miss Florence Hornbeck, Edwin DeWitt and Leon Gray attended the community sing at Accord on Monday evening. All reported a very pleasant time.

We are pleased to hear Miss Booth is singing in the day school.

Miss Lulu DeWitt was a guest of Miss Minnie Brown last Wednesday.

Mrs. J. C. Snyder and daughter, Mrs. Carter, have been entertaining city guests this week.

Mr. and Mrs. George Krom of Monticomey are enjoying their autumn vacation with their uncle and aunt, Mr. and Mrs. Elijah Krom, of this place.

Elmer Quick, of the Lake Mohont force, has been on a few days' visit with friends in this place and at Newville.

Mr. and Mrs. H. Lynde and son, Carlton, and Owen DeWitt were in Kingston last Saturday.

Rev. Henry Smith preached an interesting sermon at the M. E. Church on Sunday afternoon.

Miss Edna Hornbeck and sister were in Ellenville on Saturday afternoon.

Miss Gladie Carter and Miss Mabel Martin are visiting their grandparents, Mr. and Mrs. J. C. Snyder.

The last quarter of Sunday school supplies has been received and Sunday school will be held at 2 o'clock Sunday afternoon. We hope to see a good attendance of scholars.

Mr. and Mrs. Allen Carter and son, Edgar, of Rochester, N. Y., Mrs. Amelia Markle of this place and Mr. and Mrs. Luther Christy of Poughkeepsie were guests of Mr. and Mrs. Benjamin Quick at Saturday and Sunday.

Miss Ida Christy of Rochester, N. Y., and Mr. Benjamin Quick were guests of Mr. and Mrs. Benjamin Quick at Saturday and Sunday.

Mr. Eliza C. DeWitt recently celebrated her 75th birthday at her home on Wednesday, October 8. We are all glad to see Mrs. DeWitt in her good health and able to go out, and we wish her many more happy birthdays.

A number of Leibhardt friends attended the funeral of Albert C. Leibhardt at the M. E. Church at Poughkeepsie on Sunday afternoon.

Mrs. Alexander of Poughkeepsie has returned to the home of Mrs. Anna Brown.

JEERS FOR SOX CHANGE TO CHEERS

(By Frank G. Monte.)

By Telegraph to The Freeman. Chicago, Oct. 9.—A wildly joyous ovation greeted the White Sox who yesterday defeated the Reds by a score of 4 to 1 on their return to the old home town today. And richly do they deserve it for their rallies in Cincinnati have lifted the inhabitants of this ballwicket from the depths of Monday night's despair almost to the heights of baseball happiness.

The jeers of Monday night's departure have changed to frenzied cheers; the scoffing of three days ago has been twisted into loud praise. And those who predicted ultimate triumph for the Sox in the world's series, but who lost practically every vestige of hope after Monday's crash, now are shouting "I told you so!"

For Chicago is firm in its newfound conviction that the "come back" of the men of Gleason, which started Tuesday, will carry them along irresistibly and that when the titular battling of 1919 is done, it still can be said:

"No White Sox team ever lost a world's championship."

And as it is with the fans, so it is with the Sox.

Chicago's idea that the Cincinnati club has "cracked" is at variance with the opinion of the non-partisan folks. And the consensus of their opinion is that the men of Pat Moran surely will deliver to Cincinnati the world's championship banner which it so covets.

True, the Reds were handed a dual beating—but in only one contest were they outclassed. Their folly—their over confidence—their fatal carelessness—lost for them on Tuesday, just at a time when they had the title apparently clinched. Only the stupidity of under-estimating the possible rallying power of the Sox—the utter absurdity of thinking that theirs was a lead far too great to be overcome—whipped them in the sixth combat.

But though beaten back twice in succession, the Reds haven't lost spirit—they have been routed. They are full of fight and enthusiasm—still figure that they will be the victors in the final clash.

And they have it all figured out today that, with a spell of luck coming their way, with Eller in the box and with all of their systems emptied of "batters" of head and hand by Tuesday's and Wednesday's flurries, they are going to storm their way along for nine innings—and reach the goal of their ambition at the end.

Tickets for this afternoon's combat were placed on sale almost immediately after the game of Wednesday ended. Early purchases indicated a crowd of at least 50,000 for the eighth affair. And it was certain that every man, woman and child who trekked along to Comiskey Park did it with but one thought in mind:

"To create a tumult and shouting designed to crush the Reds and so permit the Sox to plunge through the gaps for another victory."

WEST SAUGERTIES.

West Saugerties, Oct. 8.—Mrs. Snowden and Mrs. Greenwood, who have occupied one of the H. W. Brown bungalows for the season, have returned to their home in New York.

Several of our residents attended the funeral of Mrs. Margaret Taylor at Kalsbeum last Wednesday.

Mrs. Margaret Lane, who has been staying with her sister, Mrs. Fred Mott, for some time, has returned to her home in Kingston.

Mrs. Duly of New York is spending a short time on her farm.

Marguerite Cordes made her weekly visit home, accompanied by her friend, Mrs. Carthurs.

Mr. and Mrs. Daryl of Goshen, N. Y., former residents of this place, were overnight guests of Mr. and Mrs. Cordes last Friday.

Mrs. James Gleason and children of Tannersville are visiting Mrs. Gleason's mother, Mrs. Sarah Bach.

John Cole and family of Saugerties were guests of the former's parents Mr. and Mrs. P. Cole.

Mr. and Mrs. Kastenhuber, who have rented S. P. Cole's cottage for the past two years have moved their furniture to their home in Jersey City.

Mr. and Mrs. Louis Roch of Saugerties were guests at the home of Charles E. Hoemel and wife.

BEARSVILLE.

Bearsville, Oct. 9.—Mr. and Mrs. Arthur Shultz and family were entertained at the home of Walter Holtsapple of Red Hook, Sunday.

Edgar Short and mother of Wittenberg are spending an indefinite time at the home of Hartford Reynolds.

Mrs. Paul R. Shultz spent Tuesday with her daughter, Mrs. James A. Shultz, or Wittenberg.

Mr. and Mrs. Frank Shultz and son have returned home, after a week of touring the Adirondacks.

Mr. and Mrs. H. Pouch of New York, N. Y., are here at the home of Thomas Shultz.

Harold Shultz visited Milton Holtsapple of Red Hook a few days the past week.

Mrs. Frederick Hapley of Wittenberg spent last Friday with her daughter, Mrs. Thomas Shultz, of this place.

Fred Shultz has employment at the store of F. C. Shultz.

Mrs. Roland Shultz and son, Harry, of Wittenberg, visited Mrs. Foster Shultz last Wednesday.

A number from this place attended the funeral of Merrett Van der Bogert held in the Wittenberg church, Thursday.

Production of Jade. The jade which the jade men mined comes from Taiwan, though New Zealand is a source of some jade. Jade is a variety of the same mineral, but the jade of Taiwan is of a different color and texture.

Mr. and Mrs. Harry Hobbs of this place have been entertaining relatives recently from out of town. Mr. Hobbs has a fine auto and these people just enjoyed the time here taking some fine trips.

YOUTH!

That means keeping alive in you the spirit of enthusiasm. Not quitting because you are tired and want to go to bed. Not getting dried up and fossilized. Not kicking at every new thing you hear, just because it is new to you. Taking a live interest in the world around you and feeling that there is a lot in it to amuse you and cheer you, a lot in it to fight for and to gain. A man who has lost interest in things is simply waiting to be buried. Youth keeps up interest in things. Join the Chamber of Commerce.

VAN WAGENEN'S

Van Wageningen's Service—Courteous—Prompt—Efficient

HIGHLAND.

Highland, Oct. 8.—Last Friday evening in J. W. Foster's hall there was a gathering long to be remembered for a "share dinner" was on. It was the annual of the official men of first M. E. Church. It was successful.

The arrangements were well in hand of the auxiliary club, men acted the part of waiters and had the art down fine. There was music during the meal and after people finished eating they enjoyed a social chat with their neighbors. The "menu" was one that every one was delighted with and all seemed to have brought their appetites with them. They declared they had been completely satisfied. All realized the meal was cheaper than they could have gotten up in their own homes and were delighted to sit down to a meal that they had no part in its preparation and the people in these days appreciate efficient business methods and we will say these people understood the culinary art. This was the means of enriching their treasury to a fine sum for which they are very appreciative.

A variety show was given on Tuesday evening by the members of Ida McKinley Council, I. O. O. F., at the home of Mrs. President on Milton Adams.

At this writing Martin Schantz is quite ill with a heavy cold and his friends hope for his speedy recovery. Glad to see Louis Werner home again. He has spent quite some time in Texas.

Mr. and Mrs. Robert Van Nostrand moved in their newly acquired home on Maple avenue. They purchased the property from Mrs. Maude Adams.

Mr. and Mrs. Ernest Wood have returned from a visit with relatives in Albany, Troy and Schenectady.

Mrs. Henry Hunt of New York city was a guest of last week, Mrs. J. C. DeWitt of this place.

Mrs. George Wiggins of Poughkeepsie was a visitor in this place a few days last week.

Mrs. Corneille Morris of Broeklyn was in this place last week calling on friends.

Mrs. Simcoe Scott and daughter, Pearl, spent the week end in New York city with relatives.

Mr. and Mrs. H. W. Maynard have returned from a visit with relatives in Albany, Troy and Schenectady.

Mrs. George Wiggins of Poughkeepsie was a visitor in this place a few days last week.

Mrs. Corneille Morris of Broeklyn was in this place last week calling on friends.

Mrs. Simcoe Scott and daughter, Pearl, spent the week end in New York city with relatives.

Mrs. Corneille Morris of Broeklyn was in this place last week calling on friends.

COMPANY.

The teachers of the M. E. Sunday school met at the Mercantile home last week and made preparations for "Rally Day" which will be observed October 12.

We just call your attention to the Daughters of America for on October 15 they give a masquerade by invitation only. Refreshments and dance to follow. In J. W. Foster's hall. Let every one mark, for there will be sport.

Mrs. Byron Thompson spent a few days this week in Poughkeepsie visiting relatives.

Ruby Cornell spent the week-end in Clintonville with Mrs. Amelia Elmsford.

Mrs. Simcoe Scott was in Lloyd Monday calling on relatives and friends.

Queen Esther Circle met with Misses Edith and Harrie Dickerson Tuesday evening. They had a large attendance and very interesting meeting. Quotations from Langfellow were some of the features. Refreshments were served and a jolly social held after business and all enjoyed the Dickinson sisters good at entertaining.

Mr. and Mrs. Ernest Wood have moved in their newly acquired home on Maple avenue. They purchased the property from Mrs. Maude Adams.

At this writing Martin Schantz is quite ill with a heavy cold and his friends hope for his speedy recovery. Glad to see Louis Werner home again. He has spent quite some time in Texas.

Mr. and Mrs. Robert Van Nostrand moved in their newly acquired home on Maple avenue. They purchased the property from Mrs. Maude Adams.

Mr. and Mrs. Ernest Wood have returned from a visit with relatives in Albany, Troy and Schenectady.

Mrs. Henry Hunt of New York city was a guest of last week, Mrs. J. C. DeWitt of this place.

Mrs. George Wiggins of Poughkeepsie was a visitor in this place a few days last week.

Mrs. Corneille Morris of Broeklyn was in this place last week calling on friends.

Mrs. Simcoe Scott and daughter, Pearl, spent the week end in New York city with relatives.

Mr. and Mrs. H. W. Maynard have returned from a visit with relatives in Albany, Troy and Schenectady.

Mrs. George Wiggins of Poughkeepsie was a visitor in this place a few days last week.

Mrs. Corneille Morris of Broeklyn was in this place last week calling on friends.

BLUE MOUNTAIN.

Blue Mountain, Oct. 8.—There will be no preaching services until further notice. Rev. Picheur will return to New Jersey on some of his health will permit.

C. E. Meeting as usual next Sunday night. Mrs. Elbert Snyder is the appointed leader.

Miss Edith Wollen and Lillie Snyder of Saugerties are visiting friends in this place.

Miss Lena Myer is confined to bed with a severe attack of tonsillitis. Dr. L. Emerick is attending her.

Mr. and Mrs. William Homard were over Sunday evening with Mr. and Mrs. Milton Homard at West Saugerties.

Barbara and Henrietta Schenck have returned from their trip to Poughkeepsie.

Mrs. Peter Schenck is recovering from her recent illness.

Mr. and Mrs. F. W. Homard spent last Sunday with Mr. and Mrs. George Burton of West Saugerties.

Our teacher, Miss A. W. W. and Henry Lawrence attended the teachers' conference at Saugerties on Wednesday.

Mr. and Mrs. W. H. Metzger were over Sunday evening with Mr. and Mrs. T. M. Myer and family on Sunday last.

Adhesive Tape. People who have spent hours of agony from burning new shoes over seams will find that strips of adhesive plaster applied over seams and across the heels, where friction is often applied, will ensure solid comfort.

"Quality" is the Hansen motto—the quality that combines efficiency with style and comfort.

This is why we sell and endorse

HANSEN GLOVES

Come in and let us show you this Hansenbilt Washable for semi-dress or general wear. It is both handsome and durable and can successfully be washed in soap and water.

For motoring, driving and work, there's the right Hansen. Women and children too, are provided for in this "Quality" line. Come in and see.

Says There's Nothing Like Howard's Buttermilk Cream for Beautifying the Complexion

This Good Looking Young Woman Ad-
vises Old Time Recipe of Buttermilk
Cream in a New Way—A Gentle
Massage With Fingers Before Be-
autifying All That is Necessary.

The old-time application of Buttermilk
and Cream to whiten and preserve the skin
and remove harsh little wrinkles and ugly
sallowness is grandmother's recipe and
women throughout the country are again
using it to ensure a beautiful complexion
and snow-white hands and arms.

Buttermilk, however, is not always ob-
tainable, but a specialist has at last per-
fected a method of concentrating butter-
milk and combining it with a perfect
cream which you can buy in small quanti-
ties ready to use at any first class drug
store by simply asking for "Howard's
Buttermilk Cream."

No matter whether you are troubled
with wrinkles, hard little lines around the
mouth and eyes, coarse, yellow, faded look-
ing skin or simply roughness and redness
caused by wind and sun, you will find that
all these things quickly disappear with the
use of this old-fashioned beauty recipe
brought up to date.

Beautiful actress says, "A short mas-
sage with Howard's Buttermilk Cream at
night before retiring is all that is neces-
sary." McBride drug stores.

STAR BOXING CARD COMING

Kingston Athletic Club's Second
Smoker Promises to be a Hammer
—Will Re-match Willie Rose and
Young Jim Jeffries—Other Fast
Bouts.

One of the best boxing bouts ever
staged in Kingston was the semi-
final between Willie Rose of New-
burgh and Young Jim Jeffries of
New York city at the first smoker of
the Kingston Athletic Club on Tues-
day night. So good was this bout
that at the request of those who saw
the bout the two fighters will be re-
matched - for the second smoker,
which will likely be held on Tuesday
evening, October 21. Both Rose and
Young Jim have an idea that they
can put the other way, and for that
reason some lively boxing may be ex-
pected when they meet, as the fur
will fly.

Another fast bout that is being ar-
ranged for the second smoker is that
between Joe Dubose of Poughkeepsie
and Al Delamont of New York, both
of whom are exceptionally fast men.
There will be several other bouts
also arranged. In order to make
boxing a success in Kingston the
Kingston Athletic Club needs more
members, as good men can not be
brought to the city for nothing. The
attractions offered at the coming
smoker should pack Griffiths's Hall
with boxing fans.

C. E. RALLY FRIDAY.

Local Union of Christian Endeavor
Meets in Hurley.

The annual rally and election of
officers of the Kingston Local Union
of Christian Endeavor will be held
Friday evening in the Reformed
Church at Hurley. It is expected
that every society in the union will
be well represented at the rally.
The C. E. banner will also be
awarded to the society having the
largest representation of its mem-
bers present.

To Furnish Room in Home.

The Ladies Aid Society of the
First Dutch Church held their first
regular meeting after the vacation
months at the home of Mrs. Hyman
Rosen on Wednesday afternoon.
Plans were made for fall and winter
work and for the supper which the
ladies will serve in the chapel of
the church on Wednesday, Decem-
ber 3. The society also voted to
furnish a room in the Old Ladies
Home to be opened in our city.

UNION CENTER.

Union Center, Oct. 8.—Mr. and
Mrs. James Slater and niece of
Poughkeepsie were the guests of
Mr. and Mrs. P. H. Schoonmaker.
In the afternoon they all enjoyed an
auto ride to Saugerties and vicinity.
Mrs. L. Freer is entertaining her
sister, Mrs. Fish.

A party of young people from
this place attended the dance at
Esopus on Saturday night.

Fred Cole and Joe Straley were
in Poughkeepsie Saturday night.
Quite a number from this place
attended the Welcome Home parade
last Wednesday.

I. Van Wageningen of Port Ewen is
painting P. H. Schoonmaker's
house.

Mr. and Mrs. Frank Van Valken-
burg have moved into Harry Cou-
tant's house.

The topic for the C. E. meeting
next Sunday evening will be "Train-
ing in Citizenship." I. Peter 2:11-
20. Leaders, Emma Fitzgerald and
Ella Tiger.

Mr. and Mrs. R. Jasper and
daughter, Erma, of Jersey City,
have been guests of Mrs. Jasper's
uncle and aunt, Mr. and Mrs. C.
Bunje.

Mr. and Mrs. Lester Douglass of
Long Island are spending some time
at their home here.

Sensible.

For Winter Driving

IT IS a mighty serious thing to take chances with your car in an unheated garage. A drop of a few degrees in the temperature may result in a burst radiator, frozen batteries and cracked cylinders. And these common winter car troubles are entirely eliminated when you install a "WASCO" hot water, coal burning, self-regulating garage heating system. Costs only a few cents a day for coal. Made in stock sizes for any private garage. Endorsed by Fire Underwriters.

You Need a

FURNISHED complete ready to set up for the following prices: 1-car system \$85, 2-car \$115, 3-car \$145, 4-car \$185, 5-car \$215, and 6-car \$245. Where delivery is made from local warehouse, freight is added to list price. Send for interesting garage heating catalog. It's FREE.

TWO STRETCHES OF CONCRETE ROAD

Will be Built in This County—Commissioner Greene States His Views in Letter to Supervisors.

Ulster county is to have two fine stretches of concrete state highways which when constructed will be of not only great benefit to the farmers and fruit growers in the sections where the highways run but to the automobilists. Both roads at present are about as bad as roads could be, they being the highway in the village of Rosendale and running out from there, and the road running from the Highland village line to New Paltz and extending through that village. At an adjourned meeting of the board of supervisors Wednesday evening that body unanimously voted to approve the estimate of the state department of highways and appropriate the county's share for cost of construction of same.

A communication was read from State Highway Commissioner Frederick Stuart Greene that when bids were to be opened for the Rosendale highway recently no proposals were received and that the estimate had since been raised and therefore it would be necessary to raise for the cost of construction of said highway \$17,700, the state to pay \$11,000, the county \$6,000, and the village of Rosendale \$400 for extra work. Later in the session Supervisor Hasbrouck offered a resolution that there be appropriated \$6,000 by the county to be paid by the county treasurer from funds available as the county's share of construction for said Rosendale highway, which was adopted unanimously.

Greene's Letter.

The following communication was read by Clerk DeWitt by request of Supervisor McMillan, from the state commissioner of highways addressed to Hon. John J. McGrath, superintendent of public buildings, dated October 4th:

"Dear Sir:—In regard to the Highland-New Paltz county highway, plans for which were sent to the supervisors for their approval recently, will say that our engineering estimate for this road is as follows:

State's share.....	\$191,750
County's share.....	102,250
Town of Lloyd.....	21,800
Town of New Paltz.....	8,400
Village of New Paltz.....	16,500
	\$342,000

There is now left in this county for state and county highways.....\$344,297.86 Deducting state's share of this road.....191,750.00

Leaves a balance of.....\$152,547.86

"Even if this county continues to go but 35 per cent it will give them a total of \$235,000 left to be spent for state and county roads after this New Paltz road is completed."

"I am told that some of the supervisors are not disposed to approve of our plans on the ground that they consider a concrete road too expensive. At the same time everyone in the county will admit that this is an important road and that as it connects directly with the Poughkeepsie ferry it will carry a very heavy traffic. Experience in this department shows that at the present time the maintenance charges on either the waterbound or bituminous macadam road are so high that these types have become uneconomical. I am so convinced of this that I cannot conscientiously as commissioner of highways spend the state's money to build a road which our experience shows us will not last."

"There will be and can be no controversy between the commissioner of highways and the boards of supervisors over the selection of the types of roads. The law charges the commissioner with the duty of selecting the types and the responsibility must be his and cannot be evaded."

"I can think of no way I would be more present in my duty to the people of the state than to permit the state's money to go into highways of a type which the experience of not only New York but of all civilized states has shown to be totally inadequate for present traffic conditions and which from the very start will have to be maintained at an excessive cost, all of which will be borne by the state of New York."

"Ulster county is entitled to as good highways as any county in the state and I am not yet convinced that it is the sentiment of the people of that county that we should build cheap, uneconomical highways for the sole purpose of getting more mileage. But if it were the sentiment of the people of that county, I would still refuse to do it because I would consider that I was a party to a wilful waste of the taxpayers' money."

"The situation resolves itself into this: If Ulster county does not desire to have its highways built of a type which will be permanent and which will save the state money by less maintenance costs then the officers of that department would be forced in the building of highways in counties where they want a permanent type."

"This is not an attempt to escape the board of supervisors into taking this action. It is simply a statement of fact and so long as I am confirmed in my belief that a permanent type of road is the only one that will save the people's money in the long run, which we show from experience will not last, but which immediately after completion begin to be a burden upon the taxpayers of the county."

On motion of Supervisor Patscher, the board of supervisors adjourned, subject to the call of the chair.

DID YOU EVER USE SLOAN'S?

Keep it handy to promote prompt relief from rheumatic pains and aches.

WHEN you know what Sloan's Liniment will do, as thousands of men and women the world over know, you too, will keep it handy. You will use it for those "twinges of rheumatism," for relieving that lame back, muscle stiffness and soreness, aches, all sorts of external pains, and exposure after-effects. Only takes a little, applied without rubbing. Soon penetrates, scattering the congestion, bringing merciful relief to the throbbing, jumping part. Three sizes—35c, 70c, \$1.40. Any druggist has it. If not, we'd like to know its name.

OUR DAILY PATTERN.

A New Frock For Mothers' Girl.

2706—You may make this of plaid or check suiting, with facings of serge or satin, or of wash fabrics with pique, drill or linen for trimming. The waist is cut in surplus fashion and is lengthened by a full petticoat. The sleeve may be in wrist or elbow length.

The pattern for this attractive design is cut in 3 sizes, 12, 14 and 16 years. Size 14 will require 4 1/2 yards of 36 inch material.

A pattern of this illustration mailed to any address on receipt of 10 cents in silver or stamps by the Pattern Department, The Freeman, Rondout, N. Y. Be sure to state size wanted.

Catalogue Notice.

Send 10c in silver or stamps for our UP-TO-DATE FALL AND WINTER 1919-1920 CATALOGUE, containing 550 designs of Ladies', Misses' and Children's PATTERNS, a CONCISE AND COMPREHENSIVE ARTICLE ON DRESSMAKING, ALSO SOME POINTS FOR THE NEEDLE (illustrating 20 of the various simple stitches) all valuable hints to the home dress-maker.

METACAHONTS.

Metacahonts, Oct. 9.—Mrs. Russell Miller and son, Clifton, visited at the home of Mrs. Miller's mother, Mrs. Depew, on Saturday and Sunday.

Mr. and Mrs. John Vandemark spent Monday in Kingston.

Miss Dora Baker of Mohonk Lake and Ernest Baker of Poughkeepsie visited at the home of their uncle and aunt, Mr. and Mrs. Deroy Baker, on Saturday evening and Sunday.

Mr. and Mrs. Jesse Osterhout and family, Mr. and Mrs. John J. Wood and Mrs. Jane Osterhout spent Sunday at the home of Mr. and Mrs. Will Wood at Nepaug.

Mr. and Mrs. Charles D. Osterhout and son, James, and Mrs. Gertrude Osterhout spent Sunday at the home of Mr. and Mrs. M. Vandemark at Gettysburg.

Mr. and Mrs. Charles R. Osterhout spent Sunday at Mohonk.

Mr. and Mrs. Deroy Baker and son, Kenneth, and Mr. and Mrs. William H. Miller and daughter, Viola, spent Saturday at the home of Mr. and Mrs. A. Noble, Middletown.

Jack Frost made his appearance on Tuesday evening.

Preaching services at the school house next Sunday afternoon.

FREEMAN WANT ADS. BRING RESULTS

"Indispensable" After 9 Years of Internal Baths

Mr. Addison I. Williams, Box 300, Buffalo, N. Y., writes Tyrell's Hygienic Institute of New York as follows:

"Regarding the 'J. B. L. Cascade,' I feel it is one of the indispensable articles and should be in every home. I have not taken the cure of medicine since obtaining it—about nine years.

"You can see from the testimonial and recognition, with all the time which they devote to an occasional internal bath, the 'J. B. L. Cascade' administration these years, it is an invention of Chas. A. Tyrell, M. D., of New York, for 25 years a specialist on internal baths.

"By the proper application of nature's pure warm water—it keeps the lower intestine free of all poisonous waste, and permits every function to work in harmony and without clogging—keeps the bowels constantly bright, capable and well.

"McDermid Drug Store, Inc., 222 Wall Street and 436 Broadway, Kingston, will be glad to show and explain the 'J. B. L. Cascade' to you, and will also give you free the request in interesting and authoritative book, 'Why Man of Today is Only 80% Efficient,' written by Dr. Chas. A. Tyrell.

"Ask for it today while it is fresh in your mind."

Salad Jell

Lime Jiffy-Jell is flavored with lime-fruit essence in a vial. It makes a tart, green salad jell.

Jiffy-Jell desserts are flavored with fruit-juice essences, highly condensed, sealed in glass.

Each dessert tastes like a fresh-fruit dainty—and it is.

ATTEMPT TO KILL GEN. HARBOARD

By Telegram to the Freeman.
London, Oct. 9.—An attempt was made to assassinate General Harboard, chief of the American mission to the Caucasus, but it was unsuccessful, the war office announced today.

Two shots were fired at General Harboard and his chauffeur was wounded.

The attempt was made on September 29.

BECKEPEERS MEETINGS.

Will Be Held Throughout the County Next Week.

A series of beekeepers meetings are to be held in the county next week under the auspices of the Farm Bureau Association. The meetings have been scheduled as follows:

Monday, 10 a. m., at Martin Mower's of Saugerties, 3 p. m., at Russell Lawrence's apiary, located between H. L. Daver's and the railroad station at Accord.

Tuesday, 10 a. m., at Fred Taber's of Milton, 3 p. m., at J. B. Rowe's, Clifton Avenue, Kingston.

George H. Rea, a bee expert, of the State College of Agriculture, is to demonstrate the proper method of packing bees for winter at this meeting. Mr. Rea is known to many beekeepers in Ulster county as one of the most foremost experts in beekeeping in the country.

Wintering bees is one of the greatest problems of the average beekeeper. American beekeepers annually experience a loss of 10 to 50 per cent of their colonies during the winter.

Mr. Rea will be glad to answer questions on other phases of beekeeping at the close of the demonstration on wintering.

EUREKA.

Eureka, Oct. 9.—James B. Smith purchased a new horse Saturday.

John N. George shipped twenty-one two year olds to New York last week.

Ward Dierfelder has purchased a Chevrolet car.

C. N. Simpson of Liberty spent a few days at Mahlon Donivan's.

Nearly everyone from here and surrounding towns attended the "world's fair" Wednesday. Although it was a cold and cloudy day, the crowd was as large as usual.

Mrs. Susan Fuller is caring for Mrs. Emily Porter and Mrs. Rachel Hornbeck at her home at Eureka.

Some of our candidates seem to be wearing a broad smile. Wonder if they will after November 4.

Mahlon Donivan has several head of yearlings for sale.

A number from here attended the welcome home day at Kingston October 1.

Mrs. William Carille and mother, Mrs. William Ryan, are spending a few days at The Winslow and Branch.

The donation held at the Baptist parsonage proved a success.

It is a common occurrence to see women and their dogs driving the not gatherers from their hickory nut trees.

Mr. and Mrs. Ward Dierfelder and daughter, Esther, visited the former's parents Sunday.

Sydney Benson called on friends here Sunday.

Mr. and Mrs. Aquilla Smith contemplate moving in part of Ward Dierfelder's house in the near future.

Mr. and Mrs. Walter Hamilton and daughter, Florence, of Sugar Loaf, visited their grandparents here Sunday.

Orrin Fuller has men employed digging the cellar for his new house on the property he recently purchased.

PLUTARCH.

Plutarch, Oct. 8.—Miss Elmira Terwilliger of Wallkill visited with Mr. and Mrs. Allan Tobias last week.

Mr. and Mrs. George Fisher have sold their farm to some Italians and they are moving back to Poughkeepsie.

Mr. and Mrs. Eugene Relyea and family entertained some Poughkeepsie friends on Sunday.

Mr. and Mrs. Charles Stenius were out of town visitors on Sunday.

Hunters are around to see how many nuts, turkeys and other things they can get.

Peter Boland is having some new roofs put on his tenant houses and making other improvements.

Mrs. Hugo Zogobloom and son, Carl, were Poughkeepsie visitors on Saturday.

Mr. and Mrs. Henry Selderbeck entertained some friends from Hoboken last week.

Mrs. Horace Elliott and son, Frank, were shoppers in Poughkeepsie on Saturday.

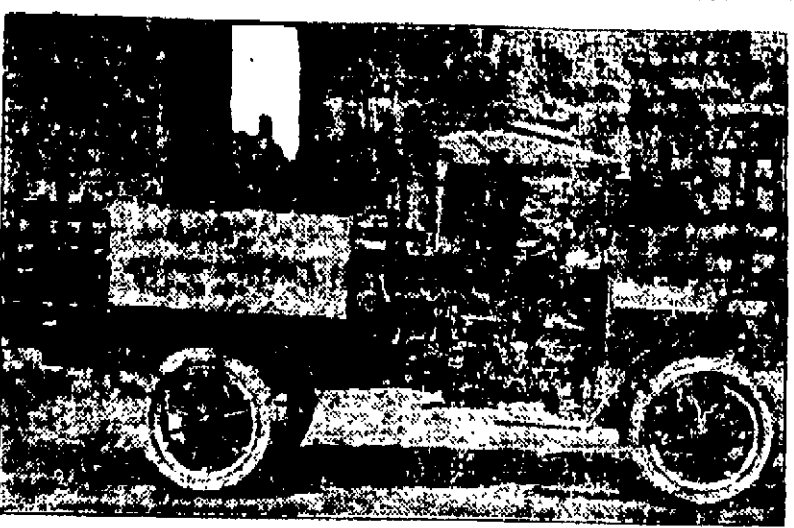

Peter Michel of New York is spending a few days with his family.

The Meanest Man.

The meanest man in the world, regardless of previous conclusions, is the man of our acquaintance—you know him, too—who took out a card in the American Society of Astronomy and now doesn't have to give excess when he gets in at 4 a. m.—Tampa Tribune.

Register and enroll on Friday.

PNEUMATIC TIRE FOUND TO GIVE MOST SATISFACTORY SERVICE ON MOTOR TRUCK

From Every Standpoint Pneumatic-Tired Truck Is Superior.

"Contrary to the general supposition, it is more dangerous to be in advance of, than behind, the procession in the matter of introducing improvements in a motor car," said F. H. Akers, sales manager of an eastern motor car concern.

"I am reminded of this by the fact that just at this time all manufacturers are either equipping motor trucks with pneumatic tires or making it optional with the buyer.

"After the most exhaustive comparative tests with several trucks of the same model, some equipped with pneumatics and others with solid tires, our engineers found that from every standpoint the pneumatic-tired truck was infinitely superior.

"First—It was more efficient for the reason that it would travel at nearly twice the speed and thereby make twice as many trips in a given time.

Upkeep Cost Less.

"Second—The upkeep cost was almost unbelievably less, due to the fact that not only did we obtain more mileage on a set of pneumatics than on solids, but that the air cushion effects a wonderful saving on the chassis.

"Not only that, but after 2,000 or 3,000 miles the resiliency in the rubber has been exhausted or, as the motorists say, the rubber 'tires' (not a pun, but meaning fatigue) and acquires more the consistency of wood than of gutta percha.

"Also our engineers found that the fuel consumption was less for the well-known reason that any pneumatic-tired vehicle requires less power.

"Another factor that was much in favor of the pneumatics was the absence of injury to loads of fragile materials. Perishable goods suffer less in a pneumatic-tired truck than they do in a solid-tired vehicle, even though the latter go at half the speed.

"Lighting was another problem.

"First we had kerosene lamps and then came the carbide tank.

"With some reason there was objection to this on the ground that it was dangerous.

"A lot of people had to be convinced that if the car got into a smashup the gas tank would not explode.

"It sounds ridiculous at this late date, but it is a fact, that although every motorist wanted to get away from the drudgery and the danger of cranking his car there was a tremendous opposition to every form of self-starter.

"We expected and were prepared for a battle when we decided that the right thing for a light, high-speed truck was pneumatic tires, but we have always believed it was our duty to give the buyer the best our experience dictated and so we went through with it.

"Everyone now admits the pneumatic-tired truck is inevitable, because it is the solution of most of the trucking problems, so we feel well repaid for our missionary work."

FROM WAR TO PEACE IN MOTOR INDUSTRY

Automobile Trade Did More Than Its Bit to Help Win War.

Fleet of American Trucks Coming In to Use for Additional Transportation Facilities Needs Services of Released Soldiers.

As a single industry the automobile trade did more than its bit to help win the war. Not only did manufacturers come up to specifications in quantity and quality of delivery, but they built better than it was thought they knew how. Proof of this was given the other day when, at an auction of old army cars in France, the French and the English bid higher prices for the cars than they cost the American government.

A new army of men was employed to run these trucks and cars on the firing line. They gained more experience in a month of that sort of work than they could have gained in a lifetime of peace work.

The rolling stock will be left abroad, but the men are coming back. They are being released daily from the military service, and are returning in large numbers to civilian life. There is no lack of work for them to do. For the fleet of American trucks now coming into use for additional transportation facilities all over the country needs just such men—men who have learned how to act in any emergency, who feel almost immediately the idiosyncrasies of every motor, who have acquired an efficiency under shell fire that will make them leaders in their work in peace times.

Col. Arthur Woods, assistant to the secretary of war, who is in charge of the re-employment work for ex-service men, announces that a number of such men, are now available for private employment. The automobile industry will not lose this opportunity of obtaining men who, to their pre-war ability, have added the exceptional training and experience of months on the firing line. These men will be in demand, and can be obtained through governmental and welfare employment agencies, who will put them in touch with employers who need their services.

SAFETY FIRST

Says the bulletin of the National (N. S.) Automobile association:

Drive as if every other driver were a born idiot.

Drive as if all children and most pedestrians were bent on suicide beneath your wheels.

Drive as if every hill had a chasm at the bottom.

Drive as if every curve were a highwayman, a Bengal tiger and a stone wall.

Examine your car before you start, not after you stop—and you won't have accidents.

FOR REBUILDING WORN TIRES

Simple Shoe May Be Used in Manner Shown in Illustration—Practically Self-Vulcanizing.

Getting the most out of a tire is quite consistent with the economy program. One offering in this line is a simple shoe which may be used to build up a worn shoe in the manner

shown. The new shoe has an inner coating of uncured rubber which becomes tacky when gasoline is poured on it. The tire may be used 20 minutes after it has been repaired. In warm weather the new shoe, by virtue of its uncured rubber, is practically self-vulcanizing.

THE AUTOMOBILE WORLD

Keep your tires out of oil puddles in the garage.

The pin connecting the piston and connecting rods is called the wrist pin.

Any steering gear is difficult to lubricate and requires more lubrication than is generally appreciated.

Remember to inspect the steering gear once a week. More harm can be done by failure of the steering gear than by any other accident.

Be careful that the spare tire on the rear of the car does not hide part of the number plate and that the plate is properly lighted at night.

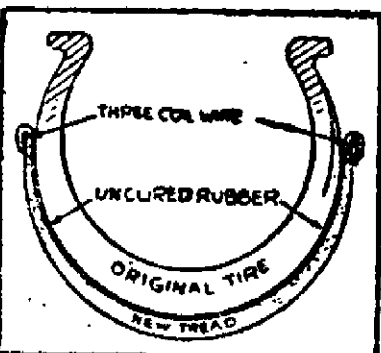

Wear and Tear on Chain.

The wear and tear on the tire chain covers at the links to which the cross chains are attached, and for this reason, wearing them later from time to time spreads the wear.

Happiness in Appreciation.

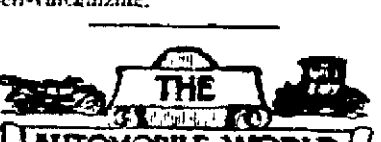

Happiness comes not from the power of possession, but from the power of appreciation. Above most other things it is to cultivate the power of appreciation. The greater the number of steps on an upward the greater the possibility as an instrument of magic.

—H. W. Sylvester.

How New Shoe Is Attached.

The new shoe has an inner coating of uncured rubber which becomes tacky when gasoline is poured on it. The tire may be used 20 minutes after it has been repaired. In warm weather the new shoe, by virtue of its uncured rubber, is practically self-vulcanizing.

Keep your tires out of oil puddles in the garage.

—H. W. Sylvester.

"If Mine Only Had a Hot Spot Like a Chalmers"

THOSE who drive a Hot Spot Chalmers hear a comment now and then like this; but the unconcealed respect, the unconcealed envy from the men they rub fenders with is a compliment more often observed.

The public is quick to recognize high efficiency in a motor car. It knows, for instance:

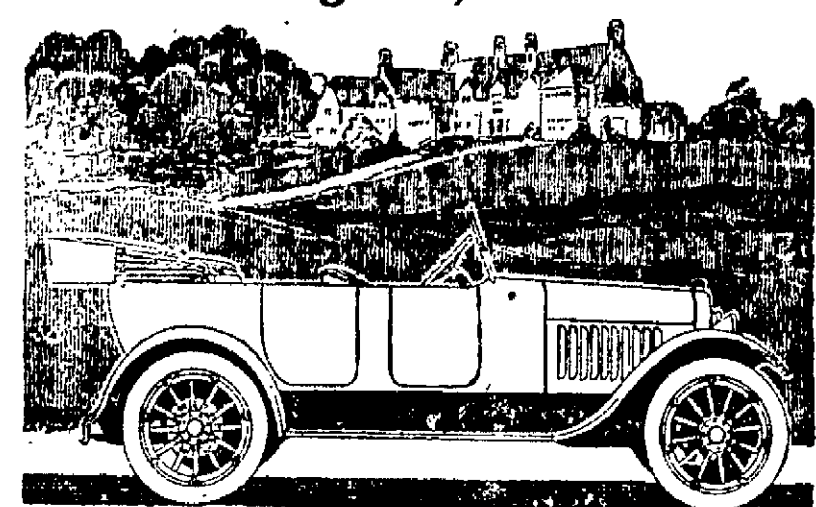

1. How Hot Spot and Ram's-horn "pulverize" gas.
2. How they get out all the power that nature put in.
3. How they well-nigh eliminate vibration.
4. How they furnish a new kind of power.
5. How they keep the car out of the repair shop.
6. How they often go 10,000 miles without a penny's outlay on the car.
7. How they entice a mechanical mind, and charm a woman's sense of comfort.
8. How they make Chalmers one of the few great cars of the world.

There is a Hot Spot Chalmers ready for you right here to give you that one ride you'll so long remember.

F. JACOBSON & SONS

WALKER VALLEY.

Walker Valley, Oct. 8.—Mrs. H. Rose of Brooklyn spent a few days here last week.

Mrs. A. Coddington of Bath, N. Y., is visiting her niece, Mrs. H. J. Polhamus.

A. H. Cole is building a new house. This is the second house.

Mrs. George Marshall, who was in the hospital, returned to her home, Tuesday.

Mrs. and Mrs. Sam Forbes motor to Washington Sunday in their new seven passenger Studebaker.

We are sorry to note J. Craver is returning after spending a few weeks at the

suffering with rheumatism. Mr. Murray is visiting his son.

Our fire company is planning for their new fire house.

The boys will hold a box party at the home of J. E. Ellis at the Walker House, ladies bring a box of lunch sufficient for two. Boxes sold at highest bidder. Come, you are to have a good time at this place.

Mrs. Ethel Birch and two children are spending a few weeks at the

Walker Valley House. Mrs. C. H. Capper of Brooklyn will spend a few days at the same place.

Again Place on Earth.

"I have been in the hospital for the good old days of France on earth and good old days of home."

"What better place than this? I have bought this way a parcel."

SOCIAL SATURDAY NIGHT DANCES

PYTHIAN Corner Wall and John St. HALL

Come and Enjoy Saturday Evening With

Molott's Pleasing Orchestra

Advertising in this paper will bring good returns on the money invested

THURSDAY, OCTOBER 2, 1919.

Rise, 7:04; sets, 6:30.
Weather, fair.

The Temperature.

The lowest point registered by the Freeman thermometer last night was 56 degrees. The highest point reached up until noon today was 62 degrees.

Weather Forecast.

Washington, Oct. 2.—Rain tonight and Friday; warmer; strong southerly winds, probably increasing tonight.

Fire Department Out Twice.

Wednesday afternoon the fire department was called out on two still alarms. One was at the Murray street dump, near Hasbrouck avenue. The other was at the store of Domin Maroon at No. 182 Broadway, and was caused by smoke in the building. The firemen located the trouble as being caused by a disconnected heater pipe in the cellar which caused the smoke. There was no damage.

BUSINESS NOTICES.

SHATTAN'S SPECIAL SALE
of ladies' and girls' winter coats and skirts. Coats from \$12 up, skirts from \$2.98 up. Very fine assortment of velvets, broadcloths and silk velours. Don't miss this sale.
SHATTAN, 511 1/2 Broadway.

DANCING.

A class for boys and girls in modern dancing begins Friday evening, October 10, at 7 o'clock. Special class for high school pupils Saturday evenings, 7 o'clock. Instructor, Miss Holce. Phone 335-W. Studio, 39 John street.

Elmer Palen will have 10 head of fresh and seasoned horses for sale Tuesday, October 11. Sale starts at 1 o'clock sharp, rain or shine. These horses consist of matched pairs, single horses, and farm chunks. All horses will be sold for the high dollar, and with our guarantee you can't go wrong. Come and look them over.
682-684 Broadway, Kingston, N. Y.

Prof. Clyde Van Steenburg's dancing class will meet on Thursday, October 2, 1919, at Pythian Hall. Shurtz's orchestra, lessons, 7 to 9. Assembly, 9 to 12.

Howard's Palace Barber Shop, Broadway and O'Neil street. Here's where you get genuine service by three skilled barbers. "I'll save so."

Dancing every Saturday night at Pythian Hall. Mollot's pleasing orchestra.

MILL END REMNANTS.

NEW PERIOD IN BOYS' DEPARTMENT

A new gymnasium period has been added to classes of the boys' department of the Y. M. C. A. This new group is known as the Junior Employed and is for the benefit of younger boys who carry the evening papers, younger boys who are employed after school and for the smaller sized boy who may work all day and not be able to mix with the older boy in gymnasium work.

This new class will have the opportunity to use the physical privileges of the gymnasium each Wednesday and Friday evening from 7 to 8 o'clock, followed by the use of showers and swimming pool. Each Monday evening from 7:15 to 7:45 they will be given the privilege of an extra swim.

This ought to interest a great many boys who have not been able to get into the afternoon classes on account of employment. It affords recreation as well as physical development. This group will have its social activities also. A new feature of this kind makes it possible for every boy from 9 to 17 years of age to get into a class suited for him. Six groups are now open for them: Student A, Student B, Student C, Cadets, Older Employed, Junior Employed.

At the rate of one cent per day a boy can become a member. The full membership fee need not be paid when joining, as a partial payment plan gives time to those who wish it.

Cutekill Chicken Supper.

Cutekill, Oct. 2.—The annual hot chicken supper of the Cutekill Reformed Church will be held in the aforementioned church on Thursday evening, October 16th. The supper will be of the same high order as of previous years, and will consist of chicken with hot homemade biscuit and gravy, mashed potatoes creamed onions, baked beans, cabbage salad, pickles and tea or coffee and cake. The price will be sixty cents for adults and thirty five cents for children under twelve years of age. We extend a hearty invitation to all our old patrons to again come and enjoy a fine chicken supper which the ladies of this church will know how to serve, and to any who have not been fortunate enough to have attended our previous suppers, come out and get acquainted. Supper will be served from six o'clock p. m. If very stormy, then on the next fair evening.

Stag Party.

A stag party for W. Walter Henderson, whose marriage to Miss Hope Lattimer took place Wednesday afternoon, was given at the Smith House, Catskill, Tuesday evening, by a number of Mr. Henderson's friends. A dainty supper was served to the guests, at the conclusion of which Mr. Henderson was presented with a handsome silver cigarette case as a token of the esteem in which he is held by his many friends. The following young men were in attendance: Henry Anderson, Champlin Clarke, C. L. Crook, Edward Henderson, Arnold Hornung, Ray Horing, Floyd E. Haines, Harry E. Joseph, Paul Lyons, James L. MacNee, John MacNeil, Philip McCormick, Albrecht Rusack, H. Clifford Smith, Arthur Shears, Clarence Warrington, Alexander Wilts, J. C. Welsh and W. W. Henderson. Mr. Henderson has a number of friends in this city.

To Court Martial Bischof.

By Telegram to the Freeman.
London, Oct. 2.—Gustav Noske, German minister of defense, has decided to court martial General Bischof, commander of the Iron Division in the Baltic provinces, for letting his troops to disobey the allied order to withdraw, said a Central News dispatch from Berlin this afternoon.

Terms Expire Jan. 1.

Under a law passed in 1918, town superintendents of highways remain in office until January 1, the same as other town officers. Under the old law they went out of office the day after the election of their successor. The expiration time hereafter of every town officer will be on January 1.

Friday is first registration day.

HEADLINE HISTORY WORLD WAR

Copyright 1919, New Era Features.

WHAT HAPPENED OCTOBER 2, 1914

Antwerp falls; city is in flames. Allied line now extends into Belgium; Germans have large force west of Lille. Russia and Turkey drifting toward war; closing of Dardanelles cause for hostility; guerrilla warfare already exists on border.

1915

Austro-German forces take Belgrade and drive Serbs back along the Danube; Greece warned by both sides. British forces make progress in Loos sector. Germans press closer to Ypres; Hindenburg captures more trenches and 1,300 prisoners. Carranza wins recognition for his de facto government; gives guarantees.

1916

Tentons continue success against Rumanians; take Toesvar.

British pursue fleeing Bulgars; take three more villages on Struma front approaching railroad. Serbs pour into plain before Monastir. Italians in severe fight on slopes of Busa Alta lose and retake the peak.

1917

British and French smash through German front north of Ypres; British take Frezenelle; fighting in sea of mud. German Foreign Secretary von Kuhlmann says Germany will never give up Alsace-Lorraine for peace; declare it is the only obstacle to peace.

1918

British take Cambrai; drive on twenty mile front smashes German line liberating a score of towns. Americans break Kriemhilde line in hard fighting west of the Meuse; American First Army in sight of open country beyond foe's defenses. Serbians reach Gorizia. President Wilson's reply to Germany pleases London and Paris.

1919

British take Cambrai; drive on twenty mile front smashes German line liberating a score of towns. Americans break Kriemhilde line in hard fighting west of the Meuse; American First Army in sight of open country beyond foe's defenses. Serbians reach Gorizia. President Wilson's reply to Germany pleases London and Paris.

1919

British take Cambrai; drive on twenty mile front smashes German line liberating a score of towns. Americans break Kriemhilde line in hard fighting west of the Meuse; American First Army in sight of open country beyond foe's defenses. Serbians reach Gorizia. President Wilson's reply to Germany pleases London and Paris.
